

PRESS RELEASE

CONGRATULATIONS TO BOMA NEWFOUNDLAND AND LABRADOR 2010 INDUSTRY AWARD WINNERS!

The Building Owners and Managers Association of Newfoundland & Labrador (BOMA NL) announced the winners of the prestigious 2010 Industry Awards in recognition of excellence in the Newfoundland and Labrador commercial real estate industry at their Awards Gala on May 27th, 2010.

The president of BOMA Newfoundland and Labrador (BOMA NL), Kim Saunders, offered her congratulations to all award winners. “Our awards program recognizes the very best of the dynamic commercial real estate industry in Newfoundland and Labrador,” Saunders said. “These awards acknowledge the special efforts made by those in the industry whose leadership and hard work set new benchmarks and characterize the future of our industry.”

The **Award of Excellence** salute the stars of the commercial real estate industry, recognizing excellence in property management, operations, resource conservation, environmental awareness, leasing and building design, customer service and innovation.

The **Earth Award** is recognition of excellence in resource preservation and environmentally sound commercial building management. The BOMA NL Earth Award for 2010 will be presented to a building that has made significant efforts to address environmental issues faced by both older and newer buildings.

BOMA NL's **Pinnacle Awards** recognize companies that represent a standard of excellence to which all BOMA members and their employees should aspire. The Pinnacle Awards recognize innovation, teamwork, outstanding service and commitment to clients.

The **President's Award** is presented to a person who has provided an outstanding contribution to BOMA Newfoundland and Labrador. The award is for exceptional leadership in serving our association and our members.

Winners of the BOMA NL's Awards may be eligible to compete at the National Awards, which will be announced at BOMEX in Toronto September 14-16, 2010. National Award winners are further eligible to compete on an International level at BOMA International's Annual Convention in June of 2011. In 2009 two Canadian buildings achieved success on the international stage.
